

ROELIA SCHOEMAN

*a.k.a Boozy Foodie:
Food, wine and everything fine!*

ABOUT ME

I'm not a high-brow connoisseur by any stretch of the imagination. I like to think that I'm Jane Public, and hope that you find my adventures in food, travel, wine, books and more interesting and can identify with it. I am always in search of finding more of 'everything fine' in life!

WINELAND MAGAZINE AUGUST

2021

"A tribute to our healthcare and frontline workers. The endless hours in sometimes horrid conditions, battling fear and frustrations every step of the way. The multicoloured angel wings and folded arms in our depiction show pure determination and strength."
